

Gippsland Disability Advocacy Inc. – GDA - is seeking additional Board members.

GDA is a not for profit, community based Incorporated Association, funded to provide advocacy support, advice, and referrals for people with disability.

GDA provides outreach support to people with disabilities across the six local government areas of Gippsland.

GDA is governed by a Board of management made up of voluntary/unpaid board members. The Board has a variety of lived, industry, health, disability, and community backgrounds.

GDA is seeking prospective Board members who have values consistent with our Mission and Vision, including social justice and upholding the rights of people with disability.

A GDA board member's role is a strategic position in the organisation and a board member is responsible for governing the organisation. This should not be confused with the management and operational aspects of the organisation (that is, the everyday running of the organisation).

Meetings are held on the third Monday of the Month either Face to face or online via Microsoft Teams.

For more information and/or to discuss becoming a Board member of GDA please contact the Board Chair: Rosalie O'Neil, please contact Rosalie via email

board.chair@gdai.org.au
